

YBD - RING EXCHANGE OPTIONS

If you are exchanging rings during your ceremony, it's worth thinking about what these rings mean to you and what you would like to say when you give your partner his/her ring.

I've drafted some options below but there are unlimited possibilities of what you might want to say. You might find the right wording for you below, you might want to mix up a couple of them and blend them together, or you might want to say something completely different!

OPTION A

(Name), I give you this ring, as a symbol of my promise to always be your partner, your best friend, your family, and your wife/husband

OPTION B

(Name), I give you this ring as a symbol of my commitment, as an expression of my love, and as a reminder of my wedding vows to you and our marriage

OPTION C

(Name), please accept this ring as a symbol of our marriage and of my promises to you

OPTION D

(Name), with this ring I marry you. You are my best friend, my soul mate, and now my husband/wife
